

New Tamper Resistant Battery drawer for EBB3D and MBB3D

As the tamper resistant battery drawer, 3 063 9802 XXX, was too hard to open with the suggested tool, a screwdriver, it has been redesigned to be more user-friendly.

NOTE: Item number has not been changed.

The affected parts are:

3 063 9802 021, 3 063 9802 022, 3 063 9802 030, 3 063 9802 060

Existing stock with the old version should be scrapped.
